DUNLAP LIVESTOCK AUCTION

701 Hwy 30 W, Dunlap, IA 51529, 712-643-5761

Sale Times for Tuesday, Mar. 14th @ 9:00 am Fed Cattle, followed by Weigh Cows & Bulls, Feeder Cattle @ 12:30pm then Bred Cows/Pairs/ Breeding Bulls

Starting to see a few baby calves running around on momma cows. Always love this time of year & really appreciate all the work you all put in. We've got 40 clvs on the ground & should be done with hfrs in the next couple of weeks. So far things are going well, but our calving ease bulls seem a bit too calving ease. Small calves!! I guess I'm never happy. I wish you all the best of luck.

Fed Cattle/Weigh Cows: Tuesday, Feb. 28th:

Fed Cattle & Weigh Cows were stronger again. Numbers are becoming so short & choice cutout values are smoking along. If you forget about the beef markets during covid choice cut-outs reached an all time high on May 19th of 2015 at \$265. Today we are at \$290. Today's cutouts support cattle near \$180. I'll continue to preach, we had mandatory country of origin labeling then, & not now. I believe it makes a big difference.

Global warming is not on my mind now. How much will we spend to try and change Mother Nature? All things in life run in cycles. Look how the dinosaur felt. There are some things man can't control. Weather and sometimes their mate. LOL ladies. People that try to please everyone usually are not happy people themselves. Treat people like you want to be treated and hopefully they will do the same. Good friends are very hard to find. So, if you are lucky enough to have one do something nice this week to let them know you care.
