“Kick Start the Leader in You”
Leadership Series Begins Friday, May 5th!

The “Kick Start the Leader in You – Leadership Series” will expand on the topics of the original workshops and offer a more in-depth examination of the topics that will help develop new supervisors, and managers while offering a refresher to others. The leadership sessions are focused on the personal transformation of participants as they become lifelong learners of leadership. Orlando Gil, CEE of TCTS Global, will be facilitating the series. The leadership sessions will be held at the Harlan library.

Series schedule:

Friday, May 5, May 12, and Friday, May 19 | 9:27 am to 4:27 pm

A sampling of the topics to be discussed include:

- How to train effectively despite language and cultural differences
- Can you motivate employees
- Accountability and effective communication
- Goal setting and “SMARTER” goals
- Impacting your company and employees by becoming a community leader
- The need for goal setting and monitoring
- And more...

A certificate of completion is provided.

Space is limited. The cost for the program, including all the materials, is \$500 per student. Call the Chamber of Commerce at 755-2114 with questions or to sign-up your employees.

Deadline for signing up for the series is April 28th.

Been 65 for 2 months - On my way to my wellness test. Only good people die young, so I could be around hopefully for a while. My laugh for the week was, I heard 2 people talking about ducks. One said - If it walks like a duck and talks like a duck you must have had too much to drink because ducks don't talk.....Have a good week.

NEXT - LEVEL PRODUCTIVITY

Take your tractor's productivity to the next level this season.

Designed for challenging terrain, the YANMAR SA424 tractor has greater ground clearance and provides a rugged, stable platform for the work you need to do.

Powered by a famously reliable YANMAR three-cylinder diesel engine, the SA424 delivers a unique combination of horsepower and fuel efficiency.

And the new operator platform was designed with you in mind. It's easier to climb on and off. The seat is more comfortable, and every instrument and control is at your fingertips.
