**From Correctionville:** Go 3 miles Southwest on Hwy 31, then go 3½ miles West on 180th St.

**From Merville:** Go 3 miles East on Hwy 20, then go 5 miles East on D-22, 2 miles South on L-21, then go 1 mile East on 180th St.

**From Pierson:** Go 2½ miles West on D-12, 5 miles South on L-21 and continue South 2 miles on L-21, then go 1 mile East on 180th St.

**GENERAL DESCRIPTION:** What a wonderful offering this farm is!! Centrally located between Anthon, Correctionville, Merville & Pierson makes this farm easy for you no matter which one of these towns you call home. This rolling Woodbury County farm is a very nice representative piece for this area with one exception. It has been farmed by one of the areas best farmers, a tenant who cares for the land as if it was his own. This farm is a good producing piece that has had great conservation practices used; the land shows the care it has had all these past years.

The Woodbury FSA Office shows there are 137.78 Farmland Acres, with 130.28 Cropland Acres with a 129.99 acres cornbase, with a 184 bu. PLC Yield Index & it is enrolled in the ARC County Program. The Woodbury NRCS & Assessors Office shows the main soil types to be Ida & Napier & Monona. The farm carries a weighted CSRII average of 48.3. Good representative numbers for the area.

In todays changing world of agriculture where good tracts like this don't come on the market all that often make it very important to take advantage of it when you have the opportunity. Couple that with the fact that you more then likely never have another chance at this property again in your lifetime. So if you are in the business for the long term and your family is as well, please do yourself a favor and give this farm strong consideration!!

Thanks and Best of Luck to all.

I wonder how much England spent on the queen? It's more than \$50 million less than \$100 million. How much did they send the Ukrainians? You guessed – Nothing to speak of. Why do our fearless leaders think the tax payers \_ \_ \_ money. They think the tax payers are Santa Claus. Let's have a benefit for the Ukrainians and see how much of their millions they send. You guessed right again – Nothing to speak of. Americans went thru the Civil War, Boston Tea Party, and etc. with no help from foreign countries. Enough is Enough. Wait till the Rocket Man from Korea wants South Korea. We won't have enough supplies for ourselves. If they don't put a freeze on gas prices there will be no Christmas for our kids. We have so many gutless leaders on both sides of the parties. It makes me sick. Term limits - New Blood and people that do what the people elected them to do. Not get Rich themselves. Washington D.C. should be so sad of what they are doing.
